

2026 GOAL

INTENTIONAL

Our goal for 2026 is to live and lead intentionally as a congregation, purposefully aligning our faith, actions, and relationships with the will of God.

We commit to being deliberate in how we worship, serve, teach, and reach—seeking opportunities to reflect the image and likeness of Jesus Christ in our daily lives. Through intentional obedience, consistent service, and genuine love, we aim to strengthen our walk with God, deepen our relationships with one another, and actively engage our family, friends, and community with love, compassion, and action—meeting needs, building relationships, and sharing the hope of Christ.

In 2026, Griffin Drive Church of Christ will intentionally invest in people and equip believers to live out their faith, so that through our conduct, character, and conversations, others may see Jesus in us. Guided by the principle “Each one, Reach one, Teach one,” we strive to glorify God by faithfully being about our Father’s business in every area of life.
